3. All entries must be in the name of the bona-fide owners, except 4-H Club entries which will be accepted if in compliance with 4-H Club rules. Grains and canned goods must have been raised, made or processed by the exhibitor during the past year.

4. Every article in competition must correspond in number and description with the premium list and be in its proper department, class and lot in order to obtain a premium. 13. Special premiums may be offered by interested persons for entries which conform to the general classification of the Fair Association.

Cock-A-Doodle Zoo is a 501(c)(3) company that has a mission of teaching the public about planetary sustainability and conservation with the use of very unique animal encounters. We will be bringing a kangaroo, lemurs or alligator (also many others) to this year's CROW WING COUNTY FAIR. We will have a set up of roughly 30 different species of animals and let you come close, feed, touch and observe some of the most unique creatures on this planet. This event doesn’t allow a good platform for our special educational teachings, but I promise you will leave with a new understanding of the need to start changing our human habits to protect ourselves and animals together.
It is our belief that through hard work, honesty, integrity and a commitment to this community that we can make a difference. We are proud to live, work and play in this community.

We truly do “Whatever it Takes” to make our home a better place. It is our desire to be your printer. Please contact us. We look forward to working with you.

★ Tuesday, August 2nd ★ MILITARY DAY ★

Unpolished - 1:00 PM - 3:30 PM

Unpolished performs an eclectic mix of Roots, Americana and Bluegrass music on Bass, Guitar, Mandolin and Banjo complete with rich three-part harmonies. The group covers many styles of folk music including music from the 1800's - Civil War, old cowboy music, railroad songs, bluegrass music, traditional Gospel music.

Unpolished has program that is both informative and entertaining. They present historical music along with interesting facts about the songs and periods. This approach has proved to be very popular and lends itself well to non traditional venues - the guys have even been known to wear period costumes for performances.

The bands repertoire is constantly being expanded and includes many selections from the 1800's including songs from Steven Foster, the Civil War, westward expansion, folk songs, old time and bluegrass. This fascinating variety of music makes Unpolished a great choice for any event. More often than not the band will have the audience singing along to long forgotten historical hits.

The band consists of members Dave Karam - Vocals and Guitar, Sheldon Schiebe - Vocals and Mandolin, Dick Max - Vocals and Bass, Mark Bridge - Vocals and Banjo. Talk about versatile, the boys have played every type of venue from festivals to theaters - rumor has it they even played for an old fashioned fish boil. And it's a fact they have the best fans on earth.

★ 5:30 PM OPENING CEREMONIES ★

The Crow Wing County Fair Association will dedicate the fair’s opening day, August 2nd, to recognize area military personnel and their families.

In Virg’s musical career he has backed up such stars as Stone Wall Jackson, Red Foley, Dottie West, Webb Pierce, and opened shows for Sammy Kershaw and 3 Dog Night.

Virg wrote and recorded “the ballad of Jacob Wetterling when Jacob was abducted in St. Joe, MN. The song tells the story of what happened and appeals to the abductor to set him free. It received local and national air play. Virg also wrote and recorded a Christmas song dedicated to his mother called “Merry Christmas Mom” which tells of how she gave him his first guitar. It received a lot of regional air play.

In 2005 he had the honor of being inducted into the Minnesotan Country Music Hall of Fame as a pioneer of country music in Minnesota. His music has taken him to Minnesota, North and South Dakota, Iowa, Wisconsin, Ontario, Alberta, Montana and Alaska.

After playing music in the area for 56 years he is still playing although not quite as often.

The band now consists of: Virg, lead vocal, lead guitar, fiddle, mandolin • Jim Lampert, 29 years, drums, vocal, accordion, trumpet • Terry Tanner, 22 years, bass guitar, vocals.

South Dakota native Sherwin Linton launched his career in the music business in 1956 as a 16 year-old disc jockey and live performer of country and rockabilly music on radio station KWAT in Watertown. Moving to Minneapolis, Minnesota in 1958, this talented singer, guitarist and songwriter began performing throughout the country. Sherwin journeyed to Nashville in 1966 and recorded "Cotton King," a song that catapulted him to the top of the Country charts. Roy Acuff was so impressed with Sherwin that he signed Sherwin to his legendary Acuff-Rose Publishing Company and Hickory Records, resulting in numerous TV appearances and nationwide tours. Following the 1971 release of a live tribute album, "Hello, I'm Not Johnny Cash," Sherwin received multiple national nominations from the CMA and ACM and praise from Cash himself. Subsequent hits included the 1986 novelty song "Santa Got A DWI," an anti-drunk driving song that hit the charts and became a million selling Christmas favorite. In 2011 Sherwin added to his prolific recording career with the release of a new CD "Hillbilly Heaven." This duet CD paired him with many of his Grand Ole Opry and Country Music friends. This project was awarded the Rural Roots Music Commission - Traditional CD of the Year. "Hillbilly Heaven" has also garnered Sherwin three Grammy nominations. In 2012 Sherwin and his wife Pam released "Highway Headin' South," a CD with a theme featuring many Texas "South of the Border" flavored songs. The CD includes Sherwin's original Gospel composition "Heaven." Sherwin has been a true ambassador, romanticizing his home state with memories of railroad life and growing up in small South Dakota towns — themes that are woven into the fabric of more than 27 albums and nearly 60 years of live performances across the U.S. and Canada.

In January 2015 Pioneer Public Television completed a two hour highly acclaimed documentary film of Sherwin's life and career "Sherwin Linton — Forever On The Stage."

One of Sherwin's close friends in music had this to say of his veteran entertainment compadre; "Sherwin Linton has been a great correspondent for Country Music for many years. He is the go-to guy for all things concerning authentic Country Music. In the mid-west, Sherwin is a larger than life Country singing, string bending, rhinestone wearing, boot heel dragging, fancy car driving, cowboy hat wearing state of the art Country Music star if there ever was one. Most of all he's my pal. I always enjoy his work." Marty Stuart "The Marty Stuart Show" RFD-TV. *2nd show tribute to Johnny Cash.

FLOWERS

REGISTRATION PAPERWORK
(Entries must be pre-registered)
By JULY 27th
ENTRY DAY Monday, Aug 1
10:00 A.M. - 6:00 P.M.

A Best of Show Ribbon will be awarded for Department 90. A champion & reserve champion will be awarded in each class in Department 90 if worthy. Judging will begin at 6:00 p.m.

1. Preregistration is recommended and greatly appreciated. However, if on entry day you have something that is worthy of exhibition, registrations will be accepted until 4:00 pm. This is an absolute cut off in order to prepare the paperwork for the judges.

2. All entries must be in by 6:00 p.m. July 28. Cut flowers, including arrangements, vegetables and grains may be removed at 9:00 p.m. on Saturday, August 2, 2014.

3. An advertised grower selling plants or flowers may not exhibit in this Department.

4. All blooms staged for the show, except in artistic section, must be cut from plants owned and grown by the exhibitor.

5. After the flowers in the exhibits are arranged, they shall become the property of the Show Committee. Wherever possible, exhibits should be kept in good condition by the exhibitor.

6. Exhibitor is required to exhibit the exact number specified. Correct entries are the responsibility of the exhibitor. Incorrect entries will be disqualified.

7. The decision of the judges in making the awards shall be final. Any interference by exhibitors to influence or dictate the decision of the judges will be sufficient cause for excluding his or her entry from competition.

8. The Show committee will not be responsible for loss or damage to container or other articles used in the exhibit. Do not bring valuable containers.

9. When exhibiting cut flowers or vegetables the name of the variety should be included on the entry tag. If two exhibits are of equal quality the one with the correct name will be placed over the unnamed exhibit.

10. Flowers used in arrangements and specimen entries should be “hardened”. The flowers should be cut with a knife (not a scissor or pruning shears). The stems should be cut at an angle and placed in warm water in a cool dark place 12 to 24 hours prior to showing. The flowers will be more durable and be in better condition in the show.

11. Flowers exhibited as specimens should be in a plain glass container or bottle, not a decorative vase. It is acceptable to use a small wedge of wood or styrofoam to hold the specimen upright in the container.

12. Points to be considered in judging are listed below.

13. In compliance with the general rules, not more than one exhibit in any one lot will be accepted from any one exhibitor.

14. Wildflowers protected by Minnesota law will not be permitted as cut flowers in exhibits.

Entries coming in late or not placed by 6:00 PM will not be judged.
NO EXCEPTIONS.

ONIONS – Have specimens mature and thoroughly cured. The neck should be small. Do not peel to give a slick appearance. Only such outer scales that are broken or discolored should be removed. Small basal roots should be left intact but trimmed to a uniform length of 1/2 inch. Wipe or brush but do not wash. Cut tops 1-1 1/2 inches long.

PEPPERS – Select bright green well filled with seeds, the best eating stage. Do not wash as bloom should be preserved.

PEAS – Cut tops 1-1 1/2 inches long.

RADISHES – Tap root cut 1/2 inch and tops cut to 1/2 inch.

RHUBARB – Select stalks that are straight, uniform and unblemished. Stalks should be pulled from the plant, not cut. Cut off blade leaf 2 inches above the stalk.

SNAP BEANS – Harvest before constrictions appear between seeds, when seeds are about half grown. Pods should be wiped clean but not washed. Leave stems attached.

SUMMER SQUASH – Select small size fruit when the rind is soft and easily punctured with thumbnail. Leave about 1/2 inch of stem and wipe fruits clean.

SWEET CORN – Select ears that are well filled out to the tip. Kernels should be milky and juicy. Remove outer husks but allow a short shank and the inner husk to remain.

SWISS CHARD – Cut and place in clear glass container. “Harden” see cut flower information.

GREEN ONIONS – Peeled roots, trimmed tops, cut uniform 6-8 inches.

TOMATOES – Uniform size, shape and color. Leave 1/2 inch stem on. Fruits should be uniformly shaped and free of cracks and blemishes. Wrap tomatoes when transporting so stems don’t puncture the others.

WATERMELONS – Select fruit that are mature but not overripe. Leave 1 inch of stem on.

The fair was organized in 1884 and fairs were held in Brainerd, Pequot Lakes and Crosby before permanently locating in Brainerd in 1937. The 1899 fair was held at grounds owned by M. K. Swartz located just east of the 1900 block on East Oak Street. In 1938 the fair was held at the Brainerd Armory and beginning in 1939 at the Mill Avenue fairgrounds where it was held each year until moving to its present location at 2000 South 13th Street in 1962.

The fair began as an agricultural event for the purpose of providing a place for county residents to exhibit their products. Youth projects such as 4-H and FFA were able to enter and compete for prizes. While many aspects of the fair have changed over the years, the main philosophy remains the same, to provide opportunity for our patronage to touch base with the agricultural heritage of Crow Wing County.

The Crow Wing County Fair is now among the five largest fairs in Minnesota, with annual exhibits numbering over 6,000 and annual attendance estimated at 100,000.

The fair is now an educational non-profit organization. We would like to invite you to become a member of the fair association. Please join today and become an active part of the Fair.
