Greetings from the Crow Wing County Fairgrounds

Hello fairgoers and welcome to the 2023 guide to activities and events.

Greetings from the Fair Board and welcome to 2023 Guide to activities and events. This year is special as it is the 150th anniversary of a Crow Wing County Fair and we hope for sunshine and warm temps as we celebrate this milestone in our history.

Each year brings new projects, and because we are a seasonal entity, we hit the ground running every spring to accomplish as much as possible before snowfall. In 2022, we had some issues with bathroom facilities and showers. Our drainage system was failing, so after the seasonal activities were done, we replaced the old and crumbling sewer line with all new PVC pipe. We continued to improve the lighting-- replacing the older lights with LED, and are now moving forward with building ventilation. Through trial and error, we are finding that ceiling fans or paddle fans are working the best in most buildings. They move the air and are much quieter, so we continue to move in that direction. Seems there is never a shortage of projects and needed improvements.

Last year, to provide some protection from the elements, we erected a cover over the locomotive located near the historical buildings. The plan is to add a stage in that same area to accommodate events, one being a story time for our younger fairgoers who might need a rest or just a little down time. Moms and dads are welcome too. Another new activity for the young ones is a musical garden that will be located on the East side of the grounds in the garden area. Bring the kiddos over and let them try out the drum and chimes.

The fair will have a booth again this year where you can register for daily gift card give aways, ask for directions, offer suggestions, and maybe just chat for a moment. Since this is our 150th year and you may have memorabilia, souvenirs, artifacts, or items from years gone by and would consider sharing them, we would be happy to display them in the booth. Just a reminder to label with name and phone number or pick up at the booth on Saturday after the fair.

We are trying something new this year—concerts on Wednesday and Thursday at the grandstand. Tracy Byrd will be in concert in the Grandstand on Wednesday evening along with Darrian Leigh. If you are a Tracy fan, you can get tickets online beginning June 1st. Follow the link on the fair web page or Facebook. Then on Thursday, we have Alex Miller from American Idol for your entertainment along with the band Ragtown. Tickets also on line for the Alex show.

We also have our usual lineup of activities, vendors, free stage entertainment, carnival, and the glassblower is back for the 3rd year so there is no shortage of things to see and do. The barns will be filled with horses, cows, and a full range of livestock with everyone competing for the blue ribbons.

Plan to attend and enjoy your favorite events and food. The Board of Directors would like to thank you for your continued support and we will see you at the 2023 County Fair.

ABOUT THE CROW WING COUNTY FAIR

The first "Annual Fair" was held in Brainerd, MN on Saturday, October 5, 1872. Fairs in Crow Wing County were then held sporadically in Brainerd, Pequot Lakes and Crosby before being organized and permanently located in Brainerd in 1937. The 1899 Fair was held at grounds owned by M. K. Swartz located just east of the 1900 block on East Oak Street. In 1938 the Fair was held at the Brainerd Armory and beginning in 1939 at the Mill Avenue fairgrounds where it was held each year until moving to its present location at 2000 South 13th Street in 1962. The Fair began as an agricultural event for the purpose of providing a place for county residents to exhibit their products. Youth projects such as 4-H and FFA were able to enter and compete for prizes. While many aspects of the Fair have changed over the years, the main philosophy remains the same, to provide opportunity for our patronage to touch base with the agricultural heritage of Crow Wing County.

The Crow Wing County Fair is now among the largest Fairs in Minnesota.

The Fair is an educational non-profit organization. We would like to invite you to become a member of the Fair Association. Please join and become an active part of the Crow Wing County Fair.

Tracy Byrd

Tracy Byrd became a household name on the Country Music Scene in 1993 when his third single, called “Holdin’ Heaven”, off his MCA Records, self-titled debut album, hit #1 on the Billboard Country Charts. Byrd’s second project, “No Ordinary Man”, kept building on the momentum the first album created, the first radio single from it called “Lifestyle of the Not so Rich and Famous” reached #4, followed by another top five hit, “The First Step”, then with the release of the smash, chart-topping hit “Watermelon Crawl” the second album crossed the half million sales mark and certified Gold. “The Keeper of the Stars” won the Academy of Country Music’s “Song of the Year” award in 1995. A Keeper Year for Tracy Byrd for sure.

Dariann Leigh

For Dariann Leigh, “This Is So Much More Than Country Music”.

From her one-stop town in Karlstad, Minnesota (population 713), Dariann captured the star power of the original women of country music from lyrics bleeding through static-filled radios and scratched CDs. Even in the middle of nowhere, those melodies set the scene for a dream that would ultimately define the course of her entire life.

Dariann Leigh doesn’t just want to make music, she wants to write the soundtrack for hairbrush singers, dashboard drummers and air guitar players everywhere.

THU., AUG. 4 | AG DAY

POPPA BEAR NORTON | 1:30 P.M. - 3:30 P.M.

Original Country Music / Midwest Humor & Charm

Who is Poppa Bear Norton? Hailing from the Land of 10,000 Lakes, Poppa Bear Norton has received both the Midwest Country Music Association's "Songwriter of the Year" and "Maverick" awards and have been described as hilarious hillbilly music and a two-man country music marvel.

They perform their own brand of country and western music that harkens back to the days of Buck Owens and Johnny Cash, as well as the outlaw era of Waylon, Willie, and Haggard. A time when a song was written like a well-crafted story and performed with passion, sincerity, humor, and refined musical skill that has been lost in today's modern sound. When "Poppa Bear" (aka The Singer) and "B" (aka The Slinger) hit the stage and fire up their one-part honky-tonk, one-part Hee-Haw styled country show, it's fast, exciting, fun, and entertaining.

Poppa Bear Norton is not just a band or a duo, it's an award-winning act whose musical style, funny stage banter, and captivating lyrics will have you laughing one minute and tearing up the next. Non-country folks like 'em because they look wild, play fast, and have fun performing a style of music they may have never heard before, in a way they have never seen. Country fans love 'em because their energy, music, and stage banter remind them of something genuine and familiar, yet at the same time something completely new and different. That's who Poppa Bear Norton is.

WAYNE RENN BAND | 6:00 P.M. - 10:00 P.M.

Has performed all across the country, from West Virginia to Wyoming, from Las Vegas to the Nashville, Tennessee, State Fair. Featuring Lyla Renn (Bass and Vocals) Steve Renn (Drums) and Wayne Renn (Guitar, Fiddle and Vocals) Playing Country, Variety and Classic Rock.

ALEX MILLER WITH RAGTOWN

Alex Miller

Alex Miller has already secured his place in the global consciousness and in the hearts of music lovers alike with his larger-than-life personality, tireless work ethic, and four high-impact singles: “I’m Over You, So Get Over Me,” “Don’t Let The Barn Door Hit Ya,” “Through With You,” and “When God Made The South.” Building on the popularity he earned during Season 19 of American Idol, and embracing the lessons he learned from its superstar coaches, Miller worked hard to define his sound and take his brand of “fresh” Country, fine tune it, and broadcast it to the universe. His rich and distinctive baritone voice, songwriting skills, and love of traditional and modern Country music, have allowed him to do just that and Alex has proven he is here to stay.

Ragtown

Ragtown is the hottest new acoustic-based band in the Twin Cities. A wide range of music gives everyone in the room something to enjoy. Tim Jarvis on lead/back-up vocals and guitar. Sara Hilgers on vocals and percussion. The upright bass is played by Brian Garrison. Todd Brown makes frequent appearances on the drums as well. Anything from Johnny Cash to Britney Spears, and everything in between.

DULUTH TRANSIT AUTHORITY | 7:00 P.M. - 10:00 P.M.

The friendliest little big-city on the really big lake brings you...Minnesota's largest Chicago tribute band- Duluth Transit Authority! DTA's masterful 12 piece band will bring you back to the glory days of one of the longest running and most successful rock groups in history, blending virtuosic guitar solos with power horn arrangements and mighty vocals! Besides the favorites like Make me Smile, Saturday in the Park, Does Anybody Know What Time It Is and 25 or 6 to 4, you'll also hear deep cuts that every Chicago fan will love. DTA sprinkles in hits from other bands in that era too, like Blood Sweat and Tears...Steely Dan...Doobie Brothers and Ides of March. Get ready to head back to the golden age of big-band Rock and Roll, because the DTA is in the house, and everyone loves a bad-ass horn section!

REGISTRATION PAPERWORK Pre-Register By July 26

ENTRY DAY Monday, July 31
10:00 A.M. - 6:00 P.M. (Pre-Registered)
10:00 A.M. - 4:00 P.M. (Not Pre-Registered)

DEPARTMENT 90 FLOWERS

A best of show ribbon will be awarded in both the adult and youth categories for Department 90. A champion & reserve champion will be awarded in each class in Department 90, if worthy. A sweepstakes ribbon for the most blue ribbons will be awarded for Department 90. Judging will begin at 6:30 P.M.

1. Preregistration is highly recommended and greatly appreciated. However, if on entry day you have something that is worthy of exhibition, registrations will be accepted **until 4:00 P.M.** This is an absolute cut off in order to prepare the paperwork for the judges.
2. All entries must be in by **6:00 P.M. July 31.** Cut flowers, including arrangements, vegetables and grains may be removed at **9:00 P.M. Aug. 5.**
3. An advertised grower selling plants or flowers may not exhibit in this Department.
4. All blooms staged for the show, except in artistic section, must be cut from plants owned and grown by the exhibitor.
5. After the flowers in the exhibits are arranged, they shall become the property of the Show Committee. Wherever possible, exhibits should be kept in good condition by the exhibitor.

6. Exhibitor is required to exhibit the exact number specified. Correct entries are the responsibility of the exhibitor. Incorrect entries will be disqualified.
7. The decision of the judges in making the awards shall be final. Any interference by exhibitors to influence or dictate the decision of the judges will be sufficient cause for excluding his or her entry from competition.
8. The Show Committee will not be responsible for loss or damage to container or other articles used in the exhibit. Do not bring valuable containers.
9. When exhibiting cut flowers or vegetables the name of the variety should be included on the entry tag. If two exhibits are of equal quality the one with the correct name will be placed over the unnamed exhibit.
10. Flowers used in arrangements and specimen entries should be "hardened". The flowers should be cut with a knife (not a scissor or pruning shears). The stems should be cut at an angle and placed in warm water in a cool dark place 12 to 24 hours prior to showing. The flowers will be more durable and be in better condition in the show.
11. Flowers exhibited as specimens should be in a plain glass container or bottle, not a decorative vase. It is acceptable to use a small wedge of wood or Styrofoam to hold the specimen upright in the container.
12. Points to be considered in judging are listed below.
13. In compliance with the general rules, not more than one exhibit in any one lot will be accepted from any one exhibitor.
14. Wildflowers protected by Minnesota law will not be permitted as cut flowers in exhibits.

Entries coming in late or not placed by 6:00 P.M. will not be judged.

**DEPARTMENT 100,
FRESH VEGETABLES**

To assist the gardener in selecting and preparing vegetables for exhibit, the following suggestions are made:

BEETS, CARROTS, PARSNIPS, TURNIPS, RUTABAGAS – Root crops should be mature but not over grown, pithy or course in texture. Tops trimmed off 1 1/4 inches above the crown. Side roots trimmed off but not the tap root. Clean by brushing.

BROCCOLI – Heads should be dark or purplish green and compact. Avoid yellow flowers in head. Stems cut about 5 inches from top of head.

CABBAGE – Stems cut about 1/2 inch below the head. Remove blemished or broken leaves. Leave few wrapper leaves.

CAULIFLOWER – Heads should be white, compact and free of small leaves and ricy texture. Stems cut so as to leave 4 to 6 leaves. Outer leaves trimmed to 1-2 inches above the white head. Use soft bristled brush to remove dirt from head.

CELERY – Remove roots of stalk and trim butt to form a triangle for pyramid. Trim diseased and broken leaves on outside until color is uniform.

CUCUMBERS – Pickling select fruits 3-5 inches long. Specimens should be same stage of maturity and uniform in size, shape and color. Slicers - select fruits that are straight, dark green and 6-10 inches long. They should be uniform in size, shape and color. Leave stems attached. Soft brush clean.

EGG PLANT – Uniform in color and free from bronzing and greening. Stem should be left on.

KOHLRABI – Roots removed just below the ball. Remove all but the center 4-6 leaves. Select specimens that are uniform, medium size and not hard or woody. Skin should be easily punctured by thumbnail. They should be clean but not washed.

LETTUCE – Dig, leaving roots and exhibit in a glass container with leaves above the water, “Harden”, see cut flower information.

MUSKMELON – Select fruit that separate easily from the vine. Melons should be mature but not overripe.

ONIONS – Have specimens mature and thoroughly cured. The neck should be small. Do not peel to give a slick appearance. Only such outer scales that are broken or discolored should be removed. Small basal roots should be left intact but trimmed to a uniform length of 1/2 inch. Wipe or brush but do not wash. Cut tops 1-1 1/2 inches long.

PEAS – Select bright green well filled with seeds, the best eating stage. Do not wash as bloom should be preserved.

PEPPERS – Stem should be left 1/2-1 inch long.

RADISHES – Tap root cut 1/2 inch and tops cut to 1/2 inch.

RHUBARB – Select stalks that are straight, uniform and unblemished. Stalks should be pulled from the plant, not cut. Cut off blade leaf 2 inches above the stalk.

SNAP BEANS – Harvest before constrictions appear between seeds, when seeds are about half grown. Pods should be wiped clean but not washed. Leave stems attached.

SUMMER SQUASH – Select small size fruit when the rind is soft and easily punctured with thumbnail. Leave about 1/2 inch of stem and wipe fruits clean.

SWEET CORN – Select ears that are well filled out to the tip. Kernels should be milky and juicy. Remove outer husks but allow a short shank and the inner husk to remain.

SWISS CHARD – Cut and place in clear glass container. “Harden” see cut flower information.

GREEN ONIONS – Peeled roots, trimmed tops, cut uniform 6-8 inches.

TOMATOES – Uniform size, shape and color. Leave 1/2-inch stem on. Fruits should be uniformly shaped and free of cracks and blemishes. Wrap tomatoes when transporting so stems don’t puncture the others.

WATERMELONS – Select fruit that are mature but not overripe. Leave 1 inch of stem on.
