Greetings and Welcome to the 2024 Crow Wing County Fair

Guide to Activities and Events

Things start moving early in the year as we plan for a 5-day event, trying to pack as much fun and entertainment as possible into those days. We have many returning vendors each year simply because they like our Fair, but we try to bring in something new, whether it be food, crafts, or talent, for your entertainment each season. We hope your plans include spending a day or two with us, enjoying all we have to offer.

Every year brings changes and this year is no different. We are looking at retirements and replacements within the Board and employees. New faces, new ideas, and new ways of doing things. Fear not, you all are in very good hands and, of course, we are always looking for helpers in the buildings and the animal barns.

Some things remain the same, such as the daily drawing sponsored by our local business folks. We will again this year have the Fair's Information Booth located in Industrial Building 1 at the south end of the grounds. You can register for the daily drawing, ask about events, and get directions to Fair events. For those looking to play bingo, it will be found in the upper level of the Curling Building as in previous years.

The Memorial Garden, that was disturbed in 2022 to replace our aging sewer system, is now a project for completion prior to the 2024 Fair. It will look somewhat different, but hopefully it will remain a place of peace and beauty, a place to rest and refresh. Thank you to the CLC Landscape Design Class for their assistance with this project.

We hope to fill the barns with cows, horses, and all sorts of livestock and, of course, we have the rabbit and poultry buildings. Tuesday and Wednesday are slotted for 4-H competition, judging, and showing their animals and their projects and booths located in the 4-H building. The youth are very proud of their accomplishments and welcome you to see what they have accomplished.

Animal and vendor buildings are located on the east side of the grounds along with the Grandstand which has a full schedule of entertainment for your enjoyment. Cross over to the west side of the grounds for Fine Arts, Youth Arts, Fair Food, and glassblowing which is back for the 4th time. As you page through this book, you will find there is no shortage of things to see and do. We should mention that the Mills Free Stage has a full schedule of music for your listening and dancing pleasure. There is also the Beer Garden to quench your thirst while visiting with friends and family or listening to the music.

We hope you will attend the Fair, enjoy your favorite events, and we thank you for your continued support.

ABOUT THE CROW WING COUNTY FAIR

The first “Annual Fair” was held in Brainerd, MN on Saturday, October 5, 1872. Fairs in Crow Wing County were then held sporadically in Brainerd, Pequot Lakes and Crosby before being organized and permanently located in Brainerd in 1937. The 1899 Fair was held at grounds owned by M. K. Swartz located just east of the 1900 block on East Oak Street. In 1938 the Fair was held at the Brainerd Armory and beginning in 1939 at the Mill Avenue fairgrounds where it was held each year until moving to its present location at 2000 South 13th Street in 1962. The Fair began as an agricultural event for the purpose of providing a place for county residents to exhibit their products. Youth projects such as 4-H and FFA were able to enter and compete for prizes. While many aspects of the Fair have changed over the years, the main philosophy remains the same, to provide opportunity for our patronage to touch base with the agricultural heritage of Crow Wing County.

The Crow Wing County Fair is now among the largest Fairs in Minnesota.

The Fair is an educational non-profit organization. We would like to invite you to become a member of the Fair Association. Please join and become an active part of the Crow Wing County Fair.

CWC FAIR MEMBERSHIP

A person wishing to participate in the monthly meetings of the Association must purchase a membership, costing \$15.00 per individual, per year. Membership runs from July 1, 2024 to June 30, 2025. OAK STREET CHAPEL BAND

1:00 PM - 3:30 PM

The Oak Street Chapel Praise Band consists of many talented members who can be found playing throughout the community several times a week. Their gift and love of music can be heard at many places, nursing homes, community events, MN Adult & Teen Challenge, and many other out reaches. The Praise Band plays a wide variety of music including traditional, contemporary, waltz's, polka's, and country gospel. Included in the variety are original songs written and composed by the band. It is a great joy for the Oak Street Praise Band to share the love for our Lord through fun and meaningful music. We also bring honor and respect to our Veterans by recognizing them and thanking them for their service.

High energy and family fun is what Hillbilly Rock Show is all about!

Jon Anderson, Dace Juilfs, & Tom Carson joined together to form this unique band. They play a variety of oldies, classic rock, country, and current. They know how to entertain kids, adults, and yes, even teenagers. They might even surprise you with an original that you will fall in love with.

These 3 guys love to entertain and it shows. Playing all the hits "Hillbilly Rock Show" style. If you like to dance, you will love Hillbilly Rock Show!

FLOWERS

A best of show ribbon will be awarded in both the adult and youth categories for Dept 90. A Champion & Reserve Champion will be awarded in each class in Dept 90, if worthy. A sweepstakes ribbon for the most blue ribbons will be awarded for Dept 90.

Judging will begin at 6:30 PM on July 29

1. Preregistration is highly recommended and greatly appreciated. However, if on entry day you have something that is worthy of exhibition, registrations will be accepted **until 4 PM**. This is an absolute cut off in order to prepare the paperwork for the judges.
2. All entries must be in by **6 PM July 29**. Cut flowers, including arrangements, vegetables and grains may be removed at **9 PM August 3**.
3. An advertised grower selling plants or flowers may not exhibit in this Department.
4. All blooms staged for the show, except in artistic section, must be cut from plants owned and grown by the exhibitor.

5. After the flowers in the exhibits are arranged, they shall become the property of the Show Committee. Wherever possible, exhibits should be kept in good condition by the exhibitor.
6. Exhibitor is required to exhibit the exact number specified. Correct entries are the responsibility of the exhibitor. Incorrect entries will be disqualified.
7. The decision of the judges in making the awards shall be final. Any interference by exhibitors to influence or dictate the decision of the judges will be sufficient cause for excluding his or her entry from competition.
8. The Show Committee will not be responsible for loss or damage to container or other articles used in the exhibit. Do not bring valuable containers.
9. When exhibiting cut flowers or vegetables the name of the variety should be included on the entry tag. If two exhibits are of equal quality the one with the correct name will be placed over the unnamed exhibit.
10. Flowers used in arrangements and specimen entries should be "hardened". The flowers should be cut with a knife (not a scissor or pruning shears). The stems should be cut at an angle and placed in warm water in a cool dark place 12 to 24 hours prior to showing. The flowers will be more durable and be in better condition in the show.
11. Flowers exhibited as specimens should be in a plain glass container or bottle, not a decorative vase. It is acceptable to use a small wedge of wood or Styrofoam to hold the specimen upright in the container.
12. Points to be considered in judging are listed below.
13. In compliance with the general rules, not more than one exhibit in any one lot will be accepted from any one exhibitor.
14. Wildflowers protected by Minnesota law will not be permitted as cut flowers in exhibits.

Entries coming in late or not placed by 4 PM will not be judged.

NO EXCEPTIONS.

DEPT 100, FRESH VEGETABLES

To assist the gardener in selecting and preparing vegetables for exhibit, the following suggestions are made:

BEETS, CARROTS, PARSNIPS, TURNIPS, RUTABAGAS – Root crops should be mature but not over grown, pithy or course in texture. Tops trimmed off 1 1/4" above the crown. Side roots trimmed off but not the tap root. Clean by brushing.

BROCCOLI – Heads should be dark or purplish green and compact. Avoid yellow flowers in head. Stems cut about 5" from top of head.

CABBAGE – Stems cut about 1/2" below the head. Remove blemished or broken leaves. Leave few wrapper leaves.

CAULIFLOWER – Heads should be white, compact and free of small leaves and ricy texture. Stems cut so as to leave 4 to 6 leaves. Outer leaves trimmed to 1-2" above the white head. Use soft bristled brush to remove dirt from head.

CELERY – Remove roots of stalk and trim butt to form a triangle for pyramid. Trim diseased and broken leaves on outside until color is uniform.

CUCUMBERS – Pickling select fruits 3-5" long. Specimens should be same stage of maturity and uniform in size, shape and color. Slicers - select fruits that are straight, dark green and 6-10" long. They should be uniform in size, shape and color. Leave stems attached. Soft brush clean.

EGG PLANT – Uniform in color and free from bronzing and greening. Stem should be left on.

KOHLRABI – Roots removed just below the ball. Remove all but the center 4-6 leaves. Select specimens that are uniform, medium size and not hard or woody. Skin should be easily punctured by thumbnail. They should be clean but not washed.

LETTUCE – Dig, leaving roots and exhibit in a glass container with leaves above the water, “Harden”, see cut flower information.

MUSKMELON – Select fruit that separate easily from the vine. Melons should be mature but not overripe.

ONIONS – Have specimens mature and thoroughly cured. The neck should be small. Do not peel to give a slick appearance. Only such outer scales that are broken or discolored should be removed. Small basal roots should be left intact but trimmed to a uniform length of 1/2". Wipe or brush but do not wash. Cut tops 1-1 1/2" long.

PEAS – Select bright green well filled with seeds, the best eating stage. Do not wash as bloom should be preserved.

PEPPERS – Stem should be left 1/2" - 1" long.

RADISHES – Tap root cut 1/2" and tops cut to 1/2".

RHUBARB – Select stalks that are straight, uniform and unblemished. Stalks should be pulled from the plant, not cut. Cut off blade leaf 2" above the stalk.

SNAP BEANS – Harvest before constrictions appear between seeds, when seeds are about half grown.

Pods should be wiped clean but not washed. Leave stems attached.

SUMMER SQUASH – Select small size fruit when the rind is soft and easily punctured with thumbnail. Leave about 1/2" of stem and wipe fruits clean.

SWEET CORN – Select ears that are well filled out to the tip. Kernels should be milky and juicy. Remove outer husks but allow a short shank and the inner husk to remain.

SWISS CHARD – Cut and place in clear glass container. “Harden” see cut flower information.

GREEN ONIONS – Peeled roots, trimmed tops, cut uniform 6-8".

TOMATOES – Uniform size, shape and color. Leave 1/2" stem on. Fruits should be uniformly shaped and free of cracks and blemishes. Wrap tomatoes when transporting so stems don't puncture the others.

WATERMELONS – Select fruit that are mature but not overripe. Leave 1" of stem on.

You will not be able to place an entry in Lots 20 & 82 (Any other media not listed) if you have already placed an item in a Lot the entry would fit in.

*Work is classified as to the grade in which it was completed. Work done in the summer will be classified as to the grade just completed. (Example: work done the summer after 4th grade would be classified as 4th grade.) Work must be current. **Only one entry per Lot.***
