Greetings and Welcome to the 2026 Crow Wing County Fair

Things start moving early in the year as we plan for a 5-day event, trying to pack as much fun and entertainment as possible into the fair week for all who attend. We have many returning vendors each year simply because they like our Fair, but we try to bring in something new, whether it be food, crafts, or talent, for your entertainment each season. We hope your plans include spending a day or two with us, enjoying all we have to offer at the Free-gate Crow Wing County Fair.

Every year brings changes, and this year is no different. We have new Board members and employees who help keep the fairgrounds clean and organized. We are thankful to all our volunteers who help keep the exhibits, animals, 4-H activities, and events operating and fun for everyone.

We will, again this year, have the Fair's Information Booth located in Industrial Building 1 at the south end of the grounds. You can ask about events, and get directions to Fair events. For those looking to play bingo, it will be found in the upper level of the Curling Bld,

We hope to fill the barns with cows, horses, hogs, sheep, goats, rabbits, chickens, and all sorts of livestock. Tuesday and Wednesday are slotted for 4-H competition, judging, and showing their animals and their projects and booths located in the 4-H Bld. The youth are very proud of their accomplishments and welcome you to see what they have accomplished. Please check out and admire all our local youths' hard work and projects.

Animal and vendor buildings are located on the east side of the grounds along with the Grandstand which has a full schedule of entertainment for your enjoyment, we have a rodeo, motocross racing, and Baja Racing in the Grandstands. Across the fairgrounds, to the west there are the Fine Arts, Youth Arts, and Fair Foods. Do not forget, on the north side of the fairgrounds is the carnival with all sorts of rides. As you read this book, you will find there is no shortage of things to see and do. The Mills Free Stage has a full schedule of music for your listening and dancing pleasure. There is a talent show again this year for our talented people in the area, it is a qualifying event for the State Fair. There is also the Beer Garden to quench your thirst while visiting with friends and family or listening to music.

We hope you will attend the Fair, enjoy your favorite events, and we thank you for your continued support.

ABOUT THE CROW WING COUNTY FAIR

The first “Annual Fair” was held in Brainerd, MN on Saturday, October 5, 1872. Fairs in Crow Wing County were then held sporadically in Brainerd, Pequot Lakes and Crosby before being organized and permanently located in Brainerd in 1937. The 1899 Fair was held at grounds owned by M. K. Swartz located just east of the 1900 block on East Oak Street. In 1938 the Fair was held at the Brainerd Armory and beginning in 1939 at the Mill Avenue fairgrounds where it was held each year until moving to its present location at 2000 South 13th Street in 1962. The Fair began as an agricultural event for the purpose of providing a place for county residents to exhibit their products. Youth projects such as 4-H and FFA were able to enter and compete for prizes. While many aspects of the Fair have changed over the years, the main philosophy remains the same, to provide opportunity for our patronage to touch base with the agricultural heritage of Crow Wing County.

The Crow Wing County Fair is now among the largest Fairs in Minnesota.

The Fair is an educational non-profit agricultural society organization. We would like to invite you to become a member of the Fair Association. Please join and become an active part of the Crow Wing County Fair.

CWC FAIR MEMBERSHIP

Membership runs from July 1, 2026 to June 30, 2027. Membership entitles you to free parking in the south lot during the Fair, dinner at the November Business Meeting, Summer Picnic, two newsletters per year and voting rights.

Leavin' Page Town is a national touring husband-and-wife Country/Americana duo known for heartfelt storytelling and an authentic, roots-driven sound. Blending soulful harmonies with raw, honest lyrics, they connect with fans of Country, Texas Country, and Red Dirt. Inspired by Miranda Lambert and Turnpike Troubadours, their songs explore love found and lost, the grit of hard work, and the lessons learned along the way. From intimate listening rooms to high-energy festival stages, their live show moves effortlessly between stripped-down storytelling and full-throttle crowd engagement, mixing compelling originals with crowd favorites to keep audiences locked in from the first note to the last.

Fresh off opening for Wade Hayes and The Bellamy Brothers, the duo has earned the title "Breakthrough Artist of the Year" from the Midwest Country Music Organization, a 2025 Josie Music Awards nomination, and a feature on the Texas Country Music Association's "Best of Texas Country Hits" Vol. 8, with multiple singles charting on Texas radio. Whether commanding a festival crowd or creating a quiet, memorable moment in a listening room, Leavin' Page Town delivers a show that connects, resonates, and lingers long after the last note.

Rooted in country tradition with a modern edge, their self-titled debut EP captures small-town life and the universal pull toward something more, blending resilience, heartache, and hope into songs that hit just as hard live as they do on record.

Champion & Reserve Champion
will be awarded in each class in
Dept 90, if worthy. A Sweepstakes
Ribbon for the most Blue Ribbons
will be awarded for Dept 90.*

**Judging will begin at
6:30 PM on August 3**

1. Pre-registration is highly recommended and greatly appreciated. However, if on entry day you have something that is worthy of exhibition, registrations will be accepted until 4 PM. This is an absolute cut off in order to prepare the paperwork for the judges. Entries coming in late or not placed in time will not be judged
2. All entries must be in by **6 PM August 3**. Cut flowers, including arrangements, vegetables and grains may be removed at **9 PM August 8**.
3. An advertised grower selling plants or flowers may not exhibit in this Department.
4. All blooms staged for the show, except in artistic section, must be cut from plants owned and grown by the exhibitor.
5. After the flowers in the exhibits are arranged, they shall become the property of the Show Committee. Wherever possible, exhibits should be kept in good condition by the exhibitor.
6. Exhibitor is required to exhibit the exact number specified. Correct entries are the

responsibility of the exhibitor. Incorrect entries will be disqualified.

7. The decision of the judges in making the awards shall be final. Any interference by exhibitors to influence or dictate the decision of the judges will be sufficient cause for excluding his or her entry from competition.
8. The Show Committee will not be responsible for loss or damage to container or other articles used in the exhibit. Do not bring valuable containers.
9. When exhibiting cut flowers or vegetables the name of the variety should be included on the entry tag. If two exhibits are of equal quality the one with the correct name will be placed over the unnamed exhibit.
10. Flowers used in arrangements and specimen entries should be "hardened". The flowers should be cut with a knife (not a scissor or pruning shears). The stems should be cut at an angle and placed in warm water in a cool dark place 12 to 24 hours prior to showing. The flowers will be more durable and be in better condition in the show.
11. Flowers exhibited as specimens should be in a plain glass container or bottle, not a decorative vase. It is acceptable to use a small wedge of wood or Styrofoam to hold the specimen upright in the container.
12. Points to be considered in judging are listed below. In compliance with the general rules, not more than one exhibit in any one lot will be accepted from any one exhibitor.

13. Wildflowers protected by Minnesota law will not be permitted as cut flowers in exhibits.

DAHLIAS ON PARADE

When growing Dahlias for show they should be disbudded when the buds are very small. Unless this is done the side buds will be longer than the center bud. The buds should be removed just above the two leaves when they are about an eighth inch in diameter. Then when the Dahlia is cut for the show it should be cut below the pair of leaves where the side buds were removed, so the stem will have a pair of leaves. Entries shall consist of one bloom per lot unless otherwise stated any variety.

DEPT 100, FRESH VEGETABLES

To assist the gardener in selecting and preparing vegetables for exhibit, the following suggestions are made:

BEETS, CARROTS, PARSNIPS, TURNIPS, RUTABAGAS – Root crops should be mature but not over grown, pithy or course in texture. Tops trimmed off 1 1/4" above the crown. Side roots trimmed off but not the tap root. Clean by brushing.

BROCCOLI – Heads should be dark or purplish green and compact. Avoid yellow flowers in head. Stems cut about 5" from top of head.

CABBAGE – Stems cut about 1/2" below the head. Remove blemished or broken leaves. Leave few wrapper leaves.

CAULIFLOWER – Heads should be white, compact and free of small leaves and ricy texture. Stems cut so as to leave 4 to 6 leaves. Outer leaves trimmed to 1-2" above the white head. Use soft bristled brush to remove dirt from head.

CELERY – Remove roots of stalk and trim butt to form a triangle for pyramid. Trim diseased and broken leaves on outside until color is uniform.

CUCUMBERS – Pickling - select fruits 3-5" long. Specimens should be same stage of maturity and uniform in size, shape and color. Slicers - select fruits that are straight, dark green and 6-10" long. They should be uniform in size, shape and color. Leave stems attached. Soft brush clean.

EGG PLANT – Uniform in color and free from bronzing and greening. Stem should be left on.

KOHLRABI – Roots removed just below the ball. Remove all but the center 4-6 leaves. Select specimens that are uniform, medium size and not hard or woody. Skin should be easily punctured by thumbnail. They should be clean but not washed.

LETTUCE – Dig, leaving roots and exhibit in a glass container with leaves above the water, “Harden”, see cut flower information.

MUSKMELON – Select fruit that separate easily from the vine. Melons should be mature but not overripe.

ONIONS – Have specimens mature and thoroughly cured. The neck should be small. Do not peel to give a slick appearance. Only such outer scales that are broken or discolored should be removed. Small basal roots should be left intact but trimmed to a uniform length of 1/2". Wipe or brush but do not wash. Cut tops 1 - 1 1/2" long.

PEAS – Select bright green well filled with seeds, the best eating stage. Do not wash as bloom should be preserved.

PEPPERS – Stem should be left 1/2" - 1" long.

RADISHES – Tap root cut 1/2" and tops cut to 1/2".

RHUBARB – Select stalks that are straight, uniform and unblemished. Stalks should be pulled from the plant, not cut. Cut off blade leaf 2" above the stalk.

SNAP BEANS – Harvest before constrictions appear between seeds, when seeds are about half grown. Pods should be wiped clean but not washed. Leave stems attached.

SUMMER SQUASH – Select small size fruit when the rind is soft and easily punctured with thumbnail. Leave about 1/2" of stem and wipe fruits clean.

SWEET CORN – Select ears that are well filled out to the tip. Kernels should be milky and juicy. Remove outer husks but allow a short shank and the inner husk to remain.

SWISS CHARD – Cut and place in clear glass container. “Harden” see cut flower information.

GREEN ONIONS – Peeled roots, trimmed tops, cut uniform 6-8".

TOMATOES – Uniform size, shape and color. Leave 1/2" stem on. Fruits should be uniformly shaped and free of cracks and blemishes. Wrap tomatoes when transporting so stems don’t puncture the others.

WATERMELONS – Select fruit that are mature but not overripe. Leave 1" of stem on.
